En Zuri Escuela Canina se utiliza el método de asociación positiva para ayudar a los perritos a resolver problemas de conducta como el miedo, la agresividad, ansiedad, posesividad, entre otras patologías. También aprenden a tener interacciones saludables con otros perros y humanos.

Jugando, aportando confianza con tareas y actividades recreativas, se le enseña a las personas a comprender las necesidades y lenguaje de sus mascotas, reforzando el vínculo, y generando experiencias estimulantes, las cuales son herramientas fundamentales para una convivencia feliz.
